Sir, Through
The Director of Public Instruction, Madras.
and
The District Educational Officer, South Kanara.

Sir,

The District Educational Officer, South Kanara, has brought to my notice in his letter R.C.No.275/G-34 dated 28th April 1934 (copy enclosed) that certain schools in Coondapoor Taluk were closed for temporary periods owing to the absence, or leave without allowances of the single teachers working in each of them and that in certain schools, one subsidy post in each remained vacant for short periods as these teachers also were granted leave without allowance and has desired me to inform him if there is any special reason why the savings on

this account in subsidies should not be recovered from the Dist-
-rict Board.

2. I understand that the President Coondapoor Taluk Board, had not filled up these vacancies for want of suitable hands who were willing to serve for very short periods in these schools -- most of which are situated in the interior parts of the taluk.

3. Further it is seen from the records that all these --- schools have worked for more than the minimum number of 200 ---- school days fixed in G.O. No. 850 Law (Education) dated 13th -- June 1933 in view of the adoption of a six day week in all the schools in Coondapoor Taluk as per G.O. No 364 Law (Education)-- dated 9.3 1932.

4. In this connection I invite the kind attemtion of ---- Government to G.O. No. 1751 L.E. dated 28.9.1933 wherein they have stated that when Taluk Board Schools maintained out of provincial funds are closed for short periods, they would be prepared to -- consider on its merits, the question whether in each particular case the proportionate subsidy should not be recovered from Taluk Boards.

5. I request in the circumstances that the Government may -- be pleased to pass orders waiving recovery of the proportionate--- subsidy in respect of the schools referred to by the District----- Educational Officer, at as early a date as possible as in no case the period of temporary closure or vacancy exceeded a month.

I have the honour to be,

Sir,

Your most obedient Servant,

For President.

R. C. No 275 G/34 dated 28. 4. 1934.

Sir,

The Deputy Inspector of Schools, Coondapoor Range, inform me that the following first seven Board Schools in the Coondapoor Taluk were closed for temporary periods noted against them owing to the absence on leave without allowances of the single teachers working in each of them, and that in the schools Nos 8 to 13, one subsidy post in each remained vacant for short periods as these teachers also were granted leave without allowance.

2. I have, therefore, to request you to let me know if there is any special reason why the savings in the subsidies as shown below should not be recovered from the District Board, if the amount has not been refunded to Government by the Taluk Board, Coondapoor, prior to its abolition.
